## Polemarch's Message

Brothers,

It is with great pride and humility that I accept the honor of serving as the fifth Polemarch of the Maplewood Oranges Alumni Chapter of Kappa Alpha Psi, Fraternity, Inc. As I embark upon this journey it is clear to me that I serve at the pleasure of the Brothers and I can promise you that my stewardship will reflect that sentiment.

This fraternal year promises to be a pivotal period in the history of our chapter. We will graduate out our first full class of Kappa Leaguers this spring and look forward to recruiting additional young men to both train for leadership and prepare for college. Our commitment to community service will also be realized through many dynamic programs as we have rededicated ourselves to social action. Most importantly, our devotion to brotherhood is strong as ever as we have a renewed commitment to intake, reclamation, and undergraduate member assistance. Yes, Maplewood Oranges is energized indeed.

I encourage all Brothers to become financial and recommit to Kappa. As we have recently elected new Grand Chapter officers and established more effective membership communication vehicles at this year's Grand Conclave meeting, there is no doubt in my mind that we are at a great point in time for our fraternity and our chapter....We would like for you to be a part of it.

Yours In The Bond,

Todd W. Bolden, Polemarch
